MORE INFO

WARM UP ZONE PRESENTED BY CELLUCOR

You wouldn't cross the street without looking... So why would you run a Tough Mudder without warming up? Before you start the course, you'll hit the Cellucor Warm Up Zone. All participants should report to the Warm Up Zone at their assigned start time.

MUDDER LEGION

Whether this is your second, third, or twenty-fourth Tough Mudder, be sure to check in at the Mudder Legion tent before you start the course. This will be located to the left of Participant Check-In after you have collected your bib. Collect your Mudder Legion headband after you're done – Then start planning how you'll earn your next one.

TOUGH SPONSORS

Don't forget to stop by and check out our awesome sponsors. Here's what to look out for:

You've finished the course – Now it's time to head over to the Shock Top Beer Garden and get that free beer you've worked so hard for. Grab a few more so you have time to reminisce with your fellow Mudders.

Mudders are role models - so it's no surprise that their kids want to hop on the course just like them. Bring your kids by Fruit Shoot Mini Mudder - a 1-mile muddy obstacle course designed for Tough Mudders in training.

Muddy shoes? Muddy clothes? No housekeeping staff? Don't worry - Radisson has you (and your car) covered. Free seat covers will be available as you exit Mudder Village.

From Warm up to Clean up, Cellucor has you covered. Grab a sample before you hit the course (and a few more while you're out there). Wipe off with a Cellucor towel at the finish line before heading to the rinse station for a complimentary bag to store your muddy clothes in.

For a quick snack before you start, make sure to grab some Oberto beef jerky. Check out the Oberto tent for free samples while supplies last.

After getting your new orange headband, grab a Big 100 bar at the finish chute and refuel for the final obstacle: The Post Party!

If you brought a huge bag filled with half your closet - no need to bring it on course. Stash your belongings at Ziploc Bag Drop. Free gallon sized bags will be available to store your smaller items and keep them clean while you're getting dirty.
